## 6. Which activities or topics did you consider the most attractive or interesting?

7 respuestas

Project and time management for PhD works

Activities and motivation that we did in class.

mindset and work planing

Topics on procrastination and time management

Developing a schedule, managing goals and tasks

In class activities, Task decomposition and document anaylsis

Writing and management skills

## 7. Areas for improvement: please tell us what you think is missing.

6 respuestas

Maybe give some suggestions about how to work in a team, talking about team cooperation

Nothing.

-

4 sessions is not enough to truly absorb everything and dig into it

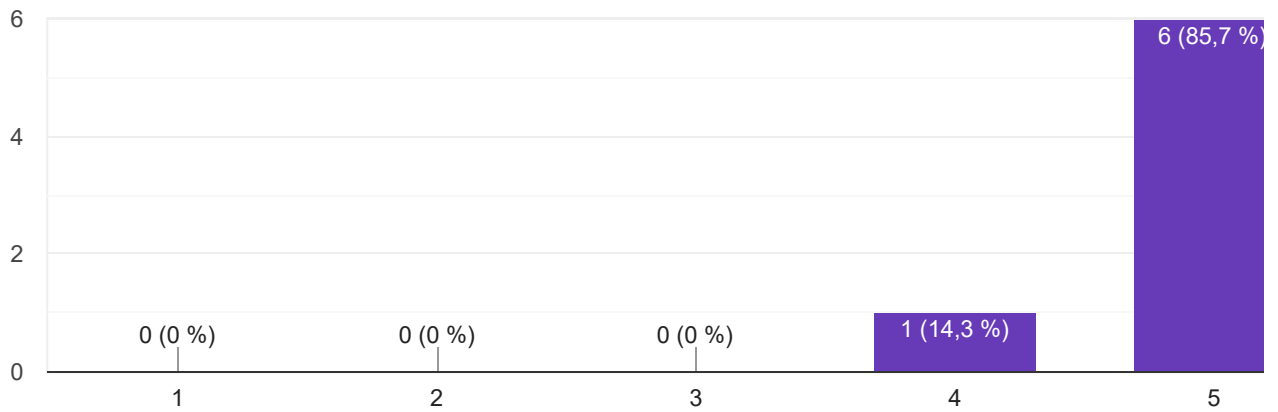

Sometimes the activities are not clear on what they are asking.

Sessions are too long, could be split into more days or make them more agile

## 8. Your opinion about the teacher, Nadia Hakim:

## 10. Comments (optional)

2 respuestas

I'd like to recommend this course for all Ph.D. students at the first-year enrollment because it will let them organize their journey towards the Ph.D. trip.

Perhaps classes could be more straight to the point although class activities help stay focused

### 12. When do you prefer to take our cross-curricular courses?
